Options:
- 16:30
- 14:30
- 04:30
- 13:40
CORRECT ANSWER: 14:30
Explanation: Listen for the key detail in the announcement.

QUESTION 105 | MARLIN TEST 13 | LISTENING
Advanced scenario 13-06. Exercise 044. Which lifeboat is mentioned?
Passage:
The port side lifeboat is assigned to muster station Bravo. Check your name on the muster list.
Options:
- Port side lifeboat
- Rescue boat only
- Starboard lifeboat
- Pilot boat
CORRECT ANSWER: Port side lifeboat
Explanation: Listen for the key detail in the announcement.

QUESTION 106 | MARLIN TEST 13 | LISTENING
Advanced scenario 13-12. Exercise 043. What visibility is predicted?
Passage:
Visibility is expected to fall below one nautical mile. Keep a careful lookout and report any vessel sighted immediately.
Options:
- Above five nautical miles
- Unlimited
- Below one nautical mile
- Exactly ten nautical miles
CORRECT ANSWER: Below one nautical mile
Explanation: Listen for the key detail in the announcement.

QUESTION 107 | MARLIN TEST 13 | LISTENING
Advanced scenario 13-11. Exercise 046. When is the briefing?
Passage:
The engine room team must report to the chief engineer at fourteen thirty for the maintenance briefing.
Options:
- 13:40
- 16:30
- 14:30
- 04:30
CORRECT ANSWER: 14:30
Explanation: Listen for the key detail in the announcement.

QUESTION 108 | MARLIN TEST 13 | LISTENING
Advanced scenario 13-extra-1. Exercise 046. When is the briefing?
Passage:
The engine room team must report to the chief engineer at fourteen thirty for the maintenance briefing.
Options:
- 13:40
- 16:30
- 14:30
- 04:30
CORRECT ANSWER: 14:30
Explanation: Listen for the key detail in the announcement.

QUESTION 109 | MARLIN TEST 13 | LISTENING
Advanced scenario 13-extra-2. Exercise 043. What visibility is predicted?
Passage:
Visibility is expected to fall below one nautical mile. Keep a careful lookout and report any vessel sighted immediately.
Options:
- Above five nautical miles
- Unlimited
- Below one nautical mile
- Exactly ten nautical miles
CORRECT ANSWER: Below one nautical mile
Explanation: Listen for the key detail in the announcement.

QUESTION 110 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-06. Exercise 016. When is the briefing?
Passage:
The engine room team must report to the chief engineer at fourteen thirty for the maintenance briefing.
Options:
- 14:30
- 04:30
- 13:40
- 16:30
CORRECT ANSWER: 14:30
Explanation: Listen for the key detail in the announcement.

QUESTION 111 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-03. Exercise 006. When is the briefing?
Passage:
The engine room team must report to the chief engineer at fourteen thirty for the maintenance briefing.
Options:

- 14:30
- 04:30
- 13:40
- 16:30
CORRECT ANSWER: 14:30
Explanation: Listen for the key detail in the announcement.

QUESTION 112 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-12. Exercise 012. Which berth will the vessel use?
Passage:
The vessel will arrive at berth number four. Visitors must wait until the gangway is secured and permission to board is given.
Options:
- Number two
- Number five
- Number four
- Number three
CORRECT ANSWER: Number four
Explanation: Listen for the key detail in the announcement.

QUESTION 113 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-11. Exercise 023. What visibility is predicted?
Passage:
Visibility is expected to fall below one nautical mile. Keep a careful lookout and report any vessel sighted immediately.
Options:
- Below one nautical mile
- Exactly ten nautical miles
- Above five nautical miles
- Unlimited
CORRECT ANSWER: Below one nautical mile
Explanation: Listen for the key detail in the announcement.

QUESTION 114 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-04. Exercise 005. What must be kept clear?
Passage:
Keep the passageway clear. A medical team is moving equipment to the ship’s hospital. Do not leave bags or tools in the corridor.
Options:
- The anchor chain
- The passageway
- The cargo hold
- The galley table
CORRECT ANSWER: The passageway
Explanation: Listen for the key detail in the announcement.

QUESTION 115 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-13. Exercise 022. Which berth will the vessel use?
Passage:
The vessel will arrive at berth number four. Visitors must wait until the gangway is secured and permission to board is given.
Options:
- Number two
- Number five
- Number four
- Number three
CORRECT ANSWER: Number four
Explanation: Listen for the key detail in the announcement.

QUESTION 116 | MARLIN TEST 14 | LISTENING
Advanced scenario 14-01. Exercise 050. When does the next watch begin?
Passage:
The next watch begins at midnight. The outgoing officer must complete the logbook and give a full handover.
Options:
- 00:00
- 12:00
- 18:00
